

Argiro K. Moudatsou
Associate Professor in Economics
Hellenic Mediterranean University
School of Management and Economic Sciences
Department of Business Administration and Tourism-Heraklion-Crete-Greece
Gender : Woman
Nationality: Greek

RESEARCH INTERESTS

Foreign Direct Investment FDI and Multinational Enterprises and Economic Growth.
Income Inequalities , Economics of Emerging Economies , BRICS

EDUCATION

1999 Ph.d «Foreign direct investment in greek manufacturing sector»

University: Technische Universität Berlin – Fachbereich Wirtschaft und Management

Supervisor: Prof. Dr. D.Friedrich , Professor of Statistics and Econometrics

The Ph.D research concerned a comparative analysis of the performance of Greek and foreign (multinational) companies, and the impact on the greek balance of payments from the activity of the foreign companies. The analysis took place in macro and micro level by using aggregated data for the whole greek economy and data from balance-sheets of companies (construction of samples of domestic and foreign companies)

1983 Master Degree in Economics- Specialised in Statistics/ Econometrics

Athens University of Economics and Business (Greece)

1981 Diplom in Economics- National and Kapodistrian University of Athens
